Checking In

- During school hours, all volunteers must check in at the front desk when they arrive.
- You must wear a volunteer or visitor badge at all times while you are in the school. This helps us keep our campus safe by easily identifying authorized volunteers and visitors.
- You may record after-hours volunteer time using the volunteer timesheet at chs.4j.lane.edu/volunteers. Reporting all volunteer hours is a requirement of our insurance policy and helps us keep track of how many work hours are necessary for our school activities.

Parking

Volunteers must display a volunteer parking pass in the front window of their car when they park on Churchill campus during school hours. Parking passes are available at the front desk. This helps us identify who belongs on campus, and alerts us to unauthorized visitors. All cars without a parking pass displayed may be ticketed.
