

Zoom: Log In Using Clever

Getting Started

Some 4j Zoom meetings require you to log in with your 4j username and password using the Single-Sign-On service known as “Clever”.

1. Upon clicking a Zoom meeting link that requires authentication, your web browser is directed to the Clever log in page. (If you have a Clever badge, you can log in by clicking “Clever Badge log in” to the right.) In the “Search for your school box”, type the name of your school until you see it in the list. Click it:

The screenshot shows the Clever login page with a search box containing 'Churchill'. A dropdown menu is open, listing several schools. The first option, 'Churchill High School Eugene School District 4j, OR', is highlighted with a green box. To the right, there are three login options: 'Clever Badge log in', 'Parent/guardian log in', and 'District admin log in'.

2. Click “Log in with Active Directory”:

The screenshot shows the Clever login page for Eugene School District 4j. It includes a 'Hints for logging in with Active Directory' section with fields for Username and Password. The 'Log in with Active Directory' button is highlighted with a green box. Other options include 'Clever Badge log in' and 'District admin log in'.

3. Enter your 4j username and password, click the “Sign In” button:

The screenshot shows the Eugene School District login page. It has a header with the district logo and name. Below is a sign-in instruction: 'Please sign in with your 4J username. Do not include "@4j.lane.edu"'. There are two input fields: 'Username' and 'Password', both highlighted with green boxes. A 'Sign in' button is also highlighted with a green box. At the bottom, it says 'Eugene School District 4J'.

4. You may be asked to choose which role you wish to use for the log in. Click the role that best describes you:

The screenshot shows a 'Select user' page with the text: 'Your credentials match multiple roles in Clever. Please select which role you would like to log in with.' There are two buttons: 'Log in as a teacher' and 'Log in as a staff'.

5. Your web browser is redirected to the Zoom meeting launch page.
