

Save the Date Youth Accidental Overdose Prevention

Thursday, November 17th, 5:45pm-7:30pm
Straub Hall, University of Oregon
Virtual options available

This event focuses on preventing youth accidental overdose, presented by the Center on Parenting and Opioids, Lane County Public Health, and the University of Oregon Substance Abuse Prevention & Education in collaboration with community partners. We will provide education and resources to help Lane County parents and youth feel confident preventing accidental overdose. Visit cpo.uoregon.edu for updated event information. Information and resources will include:

For Parents

- Information on local trends and fentanyl
- How to talk to your teen about overdose prevention
- Fentanyl awareness
- Naloxone training
- Information on medication storage
- County and district updates

For Youth

- Information from UO peer educators on overdose prevention for self and peers
- Fentanyl awareness
- Naloxone training
- Information about community-based resources
