

# LANE YOUTH TRANSPORTATION ADVISORY COUNCIL

*Interested in  
transportation,  
sustainability,  
and community  
engagement?*

Apply today to join the The Lane Youth Transportation Advisory Council (LYTAC), a committee for youth ages 13- 19 who will work together to support better mobility for people of all ages.

The LYTAC will collaborate with Safe Routes to School, local government, and other community organizations on improving transportation in the region. Members will have leadership and professional development opportunities, assist in identifying and developing projects, and utilize creative quick-build practices.
